fntype

abbr	Abbreviations
author	Some footnote type, other than those enumerated, but related to author.
com	Communicated-by information
con	Contributed-by information
conflict	Conflict of interest statements
corresp	Corresponding author information not identified separately, but merely footnoted
current-aff	Contributor's current affiliation
deceased	Person has died since article was written
edited-by	Contributor has the role of an editor
equal	Contributed equally to the creation of the document
financial-disclosure	Statement of funding or denial of funds received in support of the research on which an article is based
on-leave	Contributor is on sabbatical or other leave of absence
other	Some footnote type, other than those enumerated.
participating-researchers	Contributor was a researcher for an article
present-address	Contributor's current address
presented-at	Conference, colloquium, or other occasion at which this paper was presented

presented-by	Contributor who presented the material
previously-at	Contributor’s previous location or affiliation
study-group-members	Contributor was a member of the study group for the research
supplementary-material	Points to or describes supplementary material for the article
supported-by	Research upon which an article is based was supported by some entity
